

## eTwinning Seminar for Primary teachers 23-25 April, Edinburgh, UK

The UK National Support Service for eTwinning welcome you to Edinburgh, Scotland's capital city. This eTwinning seminar is for teachers of all primary subjects who are new to eTwinning. We will introduce you partner teachers from across Europe, and help you start your first eTwinning project.

2020 is the eTwinning year of **Climate Change and Environmental Challenges**. We will aim to start projects which support this theme. We will visit Dynamic Earth, Edinburgh's earth science museum where we will learn some interactive activities you can your project.
